

Take Your Coding Skills to the Next Level

Associate Degree in Advanced Full Stack
Web Development

BRYAN UNIVERSITY
FOUNDED 1940

Web Development Career Opportunities Abound

Strong Job Outlook

The U.S. Department of Labor projects careers for web developers will grow much faster than average through the year 2031 at a rate of 11% or higher in the US.¹

Gain the Coding Skills Employers Want

As the tech sector continues to grow, career opportunities follow. With an accredited Associate Degree in Full Stack Web Development from Bryan U, career paths may include:²

- JavaScript Developer
- Full Stack Developer
- Front End Developer
- Quality Assurance Developer
- Back End Developer

According to U.S. News' Best Technology Jobs of 2021, Web Developer ranked #8 of the top 10 jobs.³

Employers are Hiring

From Fortune 500 companies to nonprofit organizations, the demand for capable software developers continues to grow. To help fill the skills gap, top industries are hiring such as:

- Software development & IT
- Finance and banking
- Software as a service (saas)
- Web dev, media & entertainment
- Healthcare & Education
- Retail

According to a worldwide survey of over 80,000 software development professionals, over 70% had an associate degree or higher.⁴

What You'll Learn

Bryan U's Associate Degree in Advanced Full Stack Web Development gives you all the skills from the Certificate program, in addition to providing technical skills and soft skills employers value:

CERTIFICATE:	ASSOCIATE DEGREE:
JavaScript	Python
CSS	Django
HTML	NGINX, Apache & Docker
Linux	Data structures
Node.js	Algorithms
React.js	Testing, QA, & version control
Express	Written communication & presenting
MongoDB	Teamwork
Mongoose	Critical thinking
MySQL & PostgreSQL	Problem solving
HTTP, AJAX, & APIs	Capstone portfolio project

Exceptional Value

Your investment in a Bryan University education also provides these benefits:

- Declining tuition rates the longer you stay in school
- Financial aid available, if you qualify
- Cost for all books, technology, and courseware are included in the program tuition
- Accelerated program so you can start and finish fast – saving you time and money and helping you get to work sooner
- Job search assistance & preparation from our Career Services team

Track Your Progress & Showcase Your Skills

As a Bryan U student, you'll use Portfolium, a tech that awards badges as you progress through the program, tracking your progress and rewarding you as you skill-up. You'll use industry-relevant tools such as Visual Studio Code, GitHub, Scrimba, and Slack, and you'll also complete a capstone portfolio project to showcase your skills to employers.

A Better Way to Learn

Bryan U provides students an innovative, immersive online learning experience like no other. We combine proven learning methods, skills progression, and industry experts with a personalized online learning environment that ensures you'll develop the skills to be job-ready.

Glassdoor ranks Full Stack Engineer as the #2 Best Jobs in America for 2022⁵

Get the Personalized Support You Need

Learning online at Bryan U doesn't mean learning alone. When you get stuck, you can use our real-time scheduling system to get help from a tutor, join a study group, or meet with your instructor. This will ensure you make continual progress - all from the comfort of home.

Earn While You Learn: Dual Enrollment Available

You can enroll in the Certificate in Full Stack Web Development and Associate Degree in Advanced Full Stack Web Development concurrently. This means once you complete your certificate, you can get to work sooner while completing your associate degree.

10 More Reasons to Choose Bryan University

1. Tuition Lock Guarantee.

We lock your tuition rate once you enroll, plus your tuition goes down the longer you're in school. Financial aid available if you qualify.

2. Books and Courseware Included.

We take care of shipping your textbooks and provide you easy access to electronic courseware.

3. Focus on Employment.

You'll graduate with a degree targeted for a specific job market and earn skills that match employers' needs.

4. Job Search Assistance.

As a graduate, you'll receive career search services, including job networking best practices, sharpening your interview skills, and creating an eye-catching resume.

5. Learn by Doing.

You'll develop real-world skills by completing simulated job tasks and using industry technologies.

6. Return for Refresher Classes.

As a graduate, you'll have the privilege of auditing previously completed courses still being taught—at no charge—to keep your skills sharp.

7. Accelerated Programs.

You can get started – and finish – fast.

8. Faculty Who Put You First.

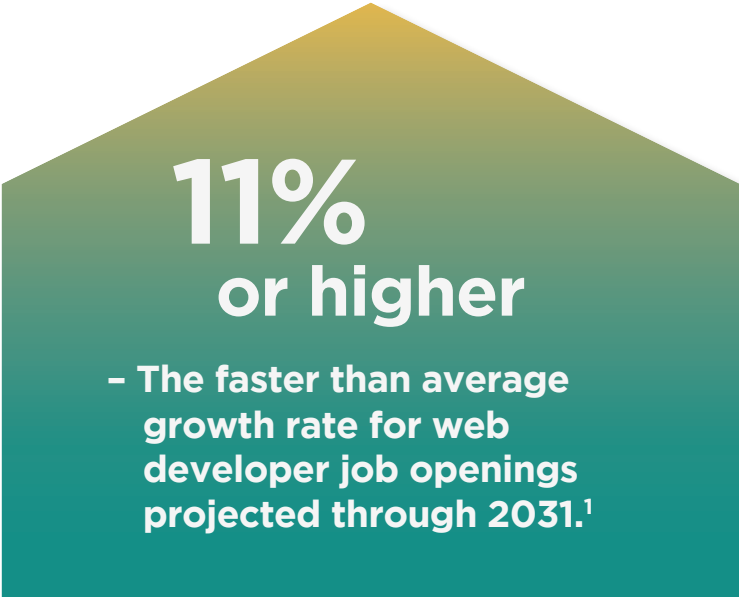

Our faculty provide you with personalized, individual attention and support.

9. Welcome Kits Included.

Once you enroll, we provide you a welcome kit package to ensure you're ready to start school.

10. History of Excellence.

We have a 83-year track record of preparing graduates for successful careers since 1940.
