Campus Sex Crimes Prevention Act

The Campus Sex Crimes Prevention Act requires sex offenders already required to register in a State to provide notice, as required under State law, to each institution of higher education in that state at which the person is employed, carries on a vocation, or is a student. The act requires that state procedures ensure this registration information is promptly made available to law enforcement agencies with jurisdiction where the institutions of higher education are located and that it is entered into appropriate state records or data systems. These changes became effective two years after enactment of the law (2002). This act amends the Higher Education Act of 1965 to require institutions of higher education to issue a statement, in addition to other disclosures required under that Act, advising the campus

community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. This change takes effect two years after enactment (2002).

This act amends the Family Educational Rights and Privacy Act of 1974 to clarify that nothing in that Act may be construed to prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders; requires the Secretary of Education to take appropriate steps to notify educational institutions that disclosure of this information is permitted.

To check registered sex offenders in a state see the State Sexual Offender Registry List section.

Drug and Alcohol Policies

Bryan University is committed to having a drug-free and alcohol-free campus that prohibits at a minimum, the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees.

Standards of Conduct

Use of illegal drugs, and the illegal use of alcoholic beverages, is identified as “conduct that adversely affects the community.” University regulations prohibit any unlawful possession, use, distribution, or sale of alcohol and other drugs by University students, faculty, staff, or guests of the University, on University property and at all University sponsored events.

Bryan University students and employees are also prohibited from the illegal use of drugs or alcohol whether on or off campus.

The legal age for the consumption of alcohol is 21 years of age. Any underage student consuming alcohol is violating standards for student conduct. Additionally, excessive use of alcohol can lead to additional violations, such as driving while intoxicated or public intoxication.

Disciplinary Sanctions

Bryan University

2018 Annual Security Report

The penalties for misconduct range from admonition to expulsion. Typically, students who have violated this policy or the Student Code of Conduct (outlined in the Catalog) will be referred to Student and Alumni Outreach for assessment. Examples of sanctions include:

1. Written warning
2. Probation
3. Fines
4. Restitution
5. Suspension
6. Expulsion

Employees or staff that are not in compliance with this policy (or the drug policies outlined in the employee manual) will be referred to human resources and may be suspended, lose wages, or terminated.

In addition, known student or employee violations, if required by state law, will be brought to the attention of local law, state, and or federal enforcement agencies.

Disciplinary sanctions may also include completion of an appropriate rehabilitation program.

In addition to University imposed sanctions, local law, state, and federal enforcement sanctions may also be imposed, including, but not limited to the following:

- **Tempe Arizona Campus** - In addition to the Federal Laws, the State of Arizona has its own laws dealing with controlled substances. It is illegal for persons under the age of 21 to possess alcoholic beverages with the intent to consume them, and for anyone to falsify or misrepresent his or her age to another person under that age of 21. Arizona law (ARS & 8-323) provides for the following penalties for a minor who purchases, possesses or consumes spirituous liquor:
 1. Probation
 2. A juvenile court hearing
 3. Driving privileges suspended for 180 days
 4. Attendance at a counseling for education program
 5. A fine up to \$500
 6. Community service work

Arizona law also makes it a misdemeanor to be intoxicated in public and cause a public disturbance, or to be intoxicated and endanger the safety of another person or of property. This carries a fine of up to \$1000 and up to 90 days imprisonment. Penalties for drug possession under Arizona law range from a minimum of probation to a maximum of 10 years in prison and a \$150,000 fine.

Information is given for first offenses only as repeat offenses carry progressively greater sanctions. Trafficking (selling) any illegal drugs, excluding alcohol, are all felonies.
