Attend from the Comfort of Home

At Bryan University, we believe that success in the field of health and fitness training demands a different approach to education. That's why we built a more innovative, interactive learning environment that is personalized to your needs. You'll receive:

- Live webcam interactions with instructors and experts right from home
- Collaborative networking with peers
- Personalized learning using an interactive, adaptive online format
- Performance reports to help you track your progress and stay on top
- Timely, targeted coaching and feedback to help you learn faster and retain more

Dual Enrollment Available

You can enroll in the Personal Trainer Undergraduate Certificate and Associate Degree in Applied Exercise and Fitness concurrently. This means you receive both credentials upon completion of your associate degree program, in addition to any third-party certifications you've completed.

Continue to the Bachelor's Degree Level

Once you complete your associate degree, you may consider continuing your education at the bachelor's degree level. Bryan University offers a renowned Bachelor of Science Degree in Professional Fitness Training & Exercise Science, developed in partnership with Personal Training Global (PTA Global). With this degree, you'll find additional career opportunities such as:

- Certified Personal Trainer for Specialty Populations
- Fitness Educator
- Sports Performance Coach
- Fitness Studio/Gym Owner
- Exercise Director/Club Manager
