Gain Valuable Skills that Employers Need

Bryan U programs are aligned with employer's needs to ensure you get the most current and relevant skills, including:

- Project management & communications
- Organizational management & leadership
- Scheduling & workflow management
- Practice management & EHR software
- Healthcare insurance & reimbursement
- Allied health business foundations
- Access control with EHR & cybersecurity management
- Compliance & quality improvement
- Human resources functions including planning, organizing, & leading teams
- Microsoft Excel
- One exam attempt for the Microsoft Office Excel exam is included in tuition
- One exam attempt for the Certified Associate in Project Management (CAPM[®]) is included in tuition

Upgrade Your Skills: Stackable Program Options

You can enroll in the Pharmacy Technician Certificate and the Associate Degree in Allied Health Administration concurrently. This means that once you complete your certificate, you can get to work sooner while completing your associate degree. Also, graduates of the Medical Billing and Coding Certificate, Clinical Medical Assisting Certificate, or Personal Trainer Certificate can also transfer directly into the Associate Degree in Allied Health Administration.

You may also consider completing the Bryan University Bachelor of Science Degree in Healthcare Administration. If you have prior college credit, or you have already completed an associate degree or certificate program at another institution, we will accept as many credits as possible (and potentially your entire certificate or associate degree) to help accelerate your Bryan program.

"The cost for the MOS Excel and the Certified Associate in Project Management exams are included in the program's tuition, along with all your books and courseware!"

Exceptional Value

Your investment in a Bryan University credential provides valuable benefits:

- Real-world assignments that simulate job tasks
- Books, software, and one exam attempt for the MOS Excel and CAPM certification exams
- Peer mentors, tutors, and success coaches who provide encouragement, guidance, and insight
- Personalized learning using an interactive, adaptive online format
- A mastery-based learning environment that allows you to improve grades by retaking assignments based on instructor feedback

Benefits for You - Included in Tuition

As a Bryan University student, you'll receive valuable benefits that are included in tuition at no extra

charge that will build your resume and establish your credibility in the marketplace, including:

- Certification for the Microsoft Office Excel exam – one exam attempt included in tuition

- Certification for the Certified Associate in Project Management (CAPM®) exam offered by the Project Management Institute (PMI®) – one exam attempt included in tuition

- All your book, courseware, and software

Career & Job Search Services

Bryan University's Career Services department will provide you assistance with job search, resume preparation, and interviewing skills. You can begin working with career services prior to graduation to ensure you are fully prepared upon completion.

The A.S. in Allied Health Administration will help graduates take their career to the next level. Bryan offers outstanding support to students and graduates to give the tools, training and resources to help students and graduates achieve success.

-Jessica Collins, CPhT

10 More Reasons to Choose Bryan University

1. Tuition Lock Guarantee.

We lock your tuition rate once you enroll, which means it can never go up! Financial aid available if you qualify.

2. Books, Courseware, and Certification Included.

We take care of shipping your textbooks, if applicable, and provide you easy access to electronic courseware. We also help you prepare for nationally-recognized certification exams.

3. Focus on Employment.

You'll graduate with a degree targeted for a specific job market and earn skills that match employers' needs.

4. Job Search Assistance.

As a graduate, you'll receive career search services, including job networking best practices, sharpening your interview skills, and creating an eye-catching resume.

5. Learn by Doing.

You'll develop real-world skills by completing simulated job tasks and using industry technologies.

6. Return for Refresher Classes.

As a graduate, you'll have the privilege of auditing previously completed courses still being taught—at no charge—to keep your skills sharp.

7. Accelerated Programs.

You can get started – and finish – fast. We also pre-register you so there are no waiting lists.

8. Faculty Who Put You First.

Our faculty provide you with personalized, individual attention and support.

9. Career Kits Included With Program.

Once you enroll, we provide you a career kit package to ensure you're ready to start school and get a jump-start with the tools to ensure your success.

10. History of Excellence.

We have a 86-year track record of preparing graduates for successful careers since 1940.

¹ Bureau of Labor Statistics, U.S. Department of Labor, Occupational Outlook Handbook, Medical and Health Service Managers, online at <https://www.bls.gov/oes/2023/may/oes119111.htm> and <https://www.onetonline.org/link/summary/11-9111.00>. Note that job market conditions are dynamic and can change. This data is not intended to predict the market conditions that will be present when you graduate from your program and may differ based on your geographic location and other factors.

² Example occupations shown herein do not imply a guarantee of employment. Students are responsible for conducting occupational research for their chosen program. Employers have unique hiring practices and job-specific requirements, which may include years of experience for manager positions. Graduates with little to no prior experience should expect an entry-level position.
