

# Take Your Fitness, Exercise, and Nutrition Career to the **Next Level**

**Bachelor of Science in Exercise Science, Fitness, and  
Nutrition Management**

**BRYAN UNIVERSITY**  
FOUNDED 1940

# Career Opportunities are Expanding...

## Expanding Careers

Careers for exercise and fitness professionals, personal trainers, and nutrition coaches are projected to grow much faster than average through the year 2031 at a rate of 11 percent or higher with projected job openings of 65,500 in the US.<sup>1</sup>

**Earning your degree now means you'll be ready for the jobs of the future.**

## Attractive Career Opportunities<sup>2</sup>

**Certified Personal Trainer for Specialty Populations**—learn advanced training techniques for those with disabilities, chronic disease, injuries, youth, and more. Work in a gym setting, as an independent contractor, or self-employed.

**Fitness Educator** — help students successfully achieve their program requirements and career competencies.

**Sports Performance Coach** — coach a high school sports team or individual athletes by effectively implementing goal-setting, action planning, and communication & motivation strategies.

**Nutrition Coach** — maximize your client's success by providing nutrition coaching strategies based on food preferences, culture, and physical training demands. Prepare for the Certified Nutrition Coach (CNC) through NASM.

**Group Fitness/Exercise Instructor** — conduct a safe and effective group exercise class for specialty modalities offered at commercial fitness centers.

**Fitness Studio/Gym Owner** — be your own boss and run your own gym or fitness studio by utilizing your business acumen and entrepreneurial skills learned in class.

**Exercise Director/Club Manager** — open doors of opportunity into managerial positions at commercial fitness centers.

**Strength and Conditioning Specialist** — qualify to sit for the Certified Strength and Conditioning Specialist (CSCS) certification through the National Strength and Conditioning Association (NSCA).

## Specialized Skills in Nutrition, Management, and Exercise Science

You'll learn the specialized skills to advance your career and maximize your value with future clients including:

- Advanced anatomy, physiology, and psychology/ motivation.
- Advanced health screenings and sports performance assessments.
- Exercise programming for specialty populations.
- Business skills necessary for self-employment, including entrepreneurship, marketing, management, and leadership.
- Dietary recommendations and nutrition coaching for clients.
- Sports nutrition skills when coaching athletes.

*"The experience at Bryan University exceeded my expectations and improved my life."*

— Claire Cielinski, Bryan U Graduate

## A Different Approach to Learning

Bryan University focuses on connecting you to the industry in a way that no other program can. Your instructors will be some of the most experienced practitioners in health and fitness, including certified personal trainers, exercise instructors and health and wellness experts. For online students, you'll attend virtual classes where you'll be able to see, hear and interact with your instructors and classmates right from your computer at home.

**Preparation for NASM's Certified Nutrition Coach (CNC) included in the program tuition!**

# Graduates are eligible to take the Certified Strength and Conditioning Specialist (CSCS) certification through NSCA!

## 10 More Reasons to Choose Bryan University

### 1. Tuition Lock Guarantee.

We lock your tuition rate once you enroll, plus your tuition goes down the longer you're in school. Financial aid available if you qualify.

### 2. Books, Courseware, and Certifications Included.

We take care of shipping your textbooks and provide you easy access to electronic courseware. Plus, we help you prepare for nationally-recognized certification exams.

### 3. Focus on Employment.

You'll graduate with a degree targeted for a specific job market and earn skills that match employers' needs.

### 4. Job Search Assistance.

As a graduate, you'll receive career search services, including job networking best practices, sharpening your interview skills, and creating an eye-catching resume.

### 5. Learn by Doing.

You'll develop real-world skills by completing simulated job tasks and using industry technologies.

### 6. Return for Refresher Classes.

As a graduate, you'll have the privilege of auditing previously completed courses still being taught—at no charge—to keep your skills sharp.

### 7. Accelerated Programs.

You can get started – and finish – fast.

### 8. Faculty Who Put You First.

Our faculty provide you with personalized, individual attention and support.

### 9. Welcome Kits Included.

Once you enroll, we provide you a welcome kit package to ensure you're ready to start school.

### 10. History of Excellence.

We have a 83-year track record of preparing graduates for successful careers since 1940.

*"The thing I love most about my career is seeing my clients smile after accomplishing something they never thought possible."*

— Jordin Otis, Bryan U Graduate
