## **Student/Graduate Spotlight Interview**

We would like to sincerely thank you for your time and participation!

As a Bryan student or graduate, your open and candid responses to the questions below provide us with valuable feedback. Bryan University may use your responses below in advertising media, including the BU website, but only in the event you sign a Media Release Form.

1. Can you please provide your full name and spelling?
2. What program are you currently enrolled in (or have you graduated from), and what inspired you to pursue this program/career path?
3. Was there a “make-or-break” moment in your decision to go back to school?
4. What attracted you to Bryan University?
5. Were you nervous about learning online? What helped ease those fears?
6. How did the online format fit into your lifestyle?
7. What digital tools or resources did you find most helpful?
8. How did the flexibility of online learning influence your experience?
9. What surprised you most about your experience as a student here?
10. How do (or did) you stay motivated and organized while studying online?
11. What was the biggest challenge you faced while studying online, and how did you overcome it?
12. Can you share a moment of success or accomplishment during your program?
13. How do (or did) you manage distractions or competing priorities while learning from home?
14. What’s something you can do now that you couldn’t before?
15. How did it feel to submit a major assignment, complete a course, or achieve a milestone in your program?
16. Are you currently working in your field of study? If so, how has the program prepared you?
17. What are your next steps or long-term goals during or after your program?

**BRYAN UNIVERSITY**

18. How were you treated by the admissions, financial aid, student outreach, and other departments at Bryan?
19. If someone told you, "I'm not sure I can do online school," what would you say?
20. How would you describe your overall educational experience at Bryan?
21. Briefly describe the experience with your teachers
22. What advice would you give to someone considering an online program at BU?
23. If you could go back and give your past self one piece of advice, what would it be?
24. Is there anything you wish you had known before starting an online program?
25. What feedback, if any, do you have for Bryan U to help improve the program?
