"Bryan University's Nursing Assistant program provides students the skills and preparation so they can be confident starting their first day on the job."

- Dr. Nereida Henderson, RN,
Nursing Assistant Program Director

Modern Campus with New Labs & Equipment

For hands-on, in-person practice and clinical work, you will attend classes at our campus located in Tempe, Arizona. From day one, you'll enter a learning environment as a newly hired "employee" that mimics a real-world employment setting so you gain greater confidence as you build your skills to become job-ready. Our campus is easily accessible by public transportation and on-site, covered parking is available to students, free of charge.

Support You Need, When You Need It

At Bryan U, we don't believe that one should learn alone. Connect with faculty, peers, and mentors who will provide support, expand your professional network, and celebrate your success along the way.

**Padfolio, scrubs,
and blood pressure
& stethoscope kit
included in tuition!**

Hands-on Clinical Experience

As a student of Bryan University's Nursing Assistant Certificate Program, you will demonstrate multiple Resident Care Procedures (RCP) to assist residents with Activities of Daily Living (ADL). You will have an understanding of topics such as Resident Rights, Resident Safety, Infection Control, and Skin Care to competently care for patients. You will learn essential hands-on skills such as collecting vital signs, assessing range of motion & mobility, and personal care RCP's including dressing, bathing and repositioning.

Our state-of-the-art campus features a bright and spacious classroom and a dedicated lab room for practicing skills. The lab mimics a resident's home environment with all the necessary supplies to care for them. The clinical portion of the program enables you to practice your skills in a real-life environment at a long-term care healthcare facility. Your clinicals will allow you to practice your communication skills along with the RCP's with different residents enabling you to confidently transition to the professional work environment.

Further Your Education as a Medical Assistant

Once you complete your certificate, you may consider continuing your education. Bryan University offers a 100% online Undergraduate Certificate in Medical Assisting. Take the next step by gaining additional industry skills employers need while preparing to earn your certified clinical medical assistant exam.

The Cost for the Certified Nursing Assistant (CNA) exam is included in the program tuition along with all your books, software, micro-credential, and class supplies!

10 More Reasons to Choose Bryan University
